

Diversity Fellowship

For 1L Law School Students

Weil

Inclusion is in our DNA. A commitment to diversity and inclusion has been at the core of our Firm since Frank Weil, Sylvan Gotshal, and Horace Manges found many doors closed to them because of their religious beliefs. They founded Weil, Gotshal & Manges LLP to open those doors. Our attorneys, paralegals and staff throughout the world are composed of a rich mixture of men and women of different races, ethnic backgrounds, cultures and primary languages. We are strengthened enormously by this diversity. The Weil 1L Diversity Fellowship Program is designed to increase the number of diverse attorneys who want to pursue careers at Weil.

To become a Weil 1L Diversity Fellow, you must be enrolled in an ABA-accredited law school and intend to practice law in a major city of the United States. You must have successfully completed the first semester of your first year of a full-time JD program, with an expected graduation date of spring 2020, and you may not be the recipient of a similar scholarship award from another law firm.

Weil 1L Diversity Fellows will receive a gift of a \$10,000 non-renewable scholarship for his/her second year of law school (2018-2019). This scholarship is contingent upon accepting an offer of summer employment at Weil.

The application process is open to law students who meet the eligibility requirements stated above. Weil will be accepting applications from potential Fellowship candidates beginning **December 1, 2017** through **January 15, 2018**. A selection panel will evaluate all applications, considering such factors as an overall commitment to diversity, work experience and academic achievement. Late or incomplete applications may be reviewed at the discretion of the selection panel. Finalists will be selected and interviewed for the Fellowship Program after all applications have been reviewed. Diversity fellow(s) will be announced in March 2018.
